Fully updated, the second edition of The Blackwell Encyclopedia of Management: Finance presents new contributions to reflect the emergence of behavioral finance (loss aversion, the housemoney effect, and momentum, for example), advances in asset pricing and methods in finance such as the role of Threshold Autoregressive and Markov Switching models. Provides clear, concise, up to the minute and highly informative definitions and explanations of the key concepts covering the whole of the fast changing field of contemporary finance. Includes new entries that reflect developments and growth in areas such as behavioral finance, asset pricing, and the emergence of nonlinear econometric models. Brings together entries from an international team of more than 90 of the world's best known and respected finance scholars and teachers.

Get complete, up-to-date and authoritative coverage of technology and innovation. A broadly encompassing encyclopedia on the emerging topic of technology innovation and management (TIM), this volume covers a wide array of issues. TIM is a relatively new field and is highly interdisciplinary, incorporating strategy and entrepreneurship, economics, marketing, organizational behavior, organization theory, physical and life sciences, and even law. All of these disciplines are represented in this volume, and their intersections are made clear. Entries are contributed by scholars from around the world who are leading experts in their respective topics. This volume is appropriate for scholars who are new to this particular field, as well as industry practitioners interested in understanding the state of knowledge in these specific areas. Entries may also serve as useful instructional materials, given their span of coverage as well as their currency. VK Narayanan is Stubbs Professor of Strategy & Entrepreneurship and Associate Dean of Research at Drexel University, Philadelphia, U.S.A. Gina O'Connor is Associate Professor of Marketing in the Lally School of Management and Technology at Rensselaer Polytechnic Institute, Troy, NY, U.S.A.
